**Join the Holistic Herd.** We offer several options to help you bring awareness to the holistic-minded type of work that you do. The vision of the Holistic Herd is to educate, build community and empower holistic professionals as we promote sustainable lifestyles.

We are a community of like-minded animal lovers. Join us at our monthly Meet & Greets where we are creating community while raising the awareness of the variety of holistic practices for you, your horse and other pets. The website, Holistic-Herd.com is a resource where you can find the holistic practitioners you may be looking for, as well as offering you an opportunity to get to know them better through articles, photos and a list of their events before you call upon them.

Are you a holistic practitioner? Join the herd and we'll help clients find you by listing you on our website, posting your educational articles and offering you an opportunity to present your work at one of our Meet & Greets and/or the annual Holistic Horse Affair.
